

Everything made easy and integrated to perfection

For every prophylaxis step the right solution.

KaVo Primus 1058 – Your First Choice for Prophylaxis.

With the KaVo Primus 1058, KaVo as a full-range supplier of professional prophylaxis solutions presents the ideal prophylaxis system in first-class KaVo quality. Of course, the KaVo Primus 1058 is more than just a prophylaxis unit. It can also be used as a fully-fledged treatment unit.

If you're investing in prophylaxis, you should choose KaVo. As a full-range supplier, we offer professional prophylaxis solutions, gentle treatment procedures, easy-to-use applications as well as integrating options, tailor-made for your practice and treatment concept.

Prophylaxis with KaVo

Everything. Easy. Gentle.

*KaVo Primus 1058 TM
